## Team leaders meeting

## Marathon Sunday:

Same numbers as the race in Munich.

As always, watch water level, little water, tree behind bend after bridge.

Accompany students if possible, no water rescue Life jacket obligation.

8:30 departure in Thalkirchen. Road in Deining closed. Ignore barriers (signs) BEFORE Deining. In Deining, directly before the construction site, turn right and take the detour via Hornstein.

Meet in Puppling (finish), continue there with as few cars as possible around 9:15 (carpools!) (Little space at the start, do not leave cars there if possible. Permanent parking only in the industrial area!)

IMPORTANT: After the entry paddle downhill immediately, do not drive up to the power station (fishing competition!) otherwise lifetime ban or no more Isar Marathon for all!

Siegerehrung 13:45 Biergarten Aujäger.

## Downriver race Saturday:

Head jugdg: Eugen Eibl

Jury:,??

WCs: Hinterbrühl beer garden - ONLY use outdoor toilets!

Parking of the vehicles at the boathouse/classic destination	Chargeable parking in front of the ESV boathouse area. Free parking with parking ticket of the organizer - Available at the start number handout / team leaders meeting. The height barrier at the entrance will (hopefully) not be locked during the event. However, the barrier must be closed again after EACH vehicle. ATTENTION: Parking near the water itself will be prosecuted by the regulatory authorities. (In 2013, a participant has already been allowed to fill the treasury)
Parking of vehicles at the start	It can be parked on the western edge of the road at the height of the rafter monument. The area from the sprint finish to the end of Gasthof Hinterbrühl must be kept clear. There is no special speed limit on this road for the event. Please be sure to pay attention to the traffic!

Numbers valid for all competitions, incl. marathon

Sprint Course: Start – finish – carry the boats upstream at the road side

**Giantslalom: Rules:** 

https://isar-marathon.de/extdoc/Ausschreibung\_2023\_Riesenslalom.pdf

Training "mini roller" and "rocking horse" also possible during the sprint races.

You can get off behind the finish at the rocking horse on the right and carry across the golf course along the small river to the main channel above the power plant and paddle back up to the mass start. DO NOT paddle on the lake!

When crossing the golf course, keep your helmet on and make eye contact with golfers. (There is a tournament there in the morning.) When crossing the 1st track, the balls come from the right, at the second from the left! Cross the tracks quickly!

**Riesenslalom / Giant slalom** 

Route Mass start: Finish for all: RIGHT of the buoy at the end of the float site.

Pupils (all U14(: directly through Floßgasse to the finish

All other: Downhill to turning pole, turn right, uphill to pole at bridge, turn right, through white water part to finish

Track closure 5min before 1st start, do not obstruct running races at mass start!

Team registration by name as soon as possible in the trailer near the sprint finish line.

Safety regulations: Helmet, life jacket, shoes, airbags

Award ceremony: 17:30 o'clock ESV Bootshaus (Near finish of mass start)
